Dear Karen

I would like to thank you very much for having Guy on his work experience placement. This was a very worthwhile and enjoyable experience. We find that our students learn so much about the world of work when they are on a placement such as yours as well as developing their skills for independence and self confidence.

All our students came back to school bubbling with excitement, enthusiasm and pride and we have you to thank for this. We will be making a presentation at the student 'Prom' in July and will be inviting you along to share their success nearer the time.

I do hope that we can build on the link we have made with you and look forward to meeting you in the future,

Kind regards

Annie Grice  
Assistant Headteacher

...a place where pupils and staff build dreams.
